

# CLIMB FOR CARE

KILIMANJARO 2011

February 28 – March 11, 2011

**CELEBRATE International Women's Day  
on the Roof of Africa and fulfill your DREAM  
of climbing Mount Kilimanjaro**

**Space is Limited!**

**H**ave you ever dreamed of undertaking an unparalleled adventure that will inspire you, challenge you, and bring you to amazing new heights?

Join the Climb for CARE Kilimanjaro 2011 from Feb. 28 to Mar. 11, 2011 and you will become part of something bigger. Not only will you be reaching the tallest peak in Africa, you'll be joining a global movement dedicated to empowering women and girls living in poverty to overcome the personal mountains they face daily. Experience first-hand the difference your support makes: meet the people of a Tanzanian village whose lives are being changed by CARE.

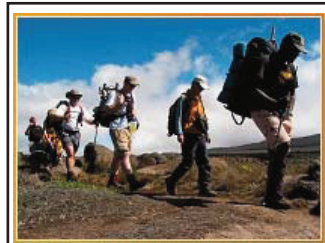

*"The euphoria of reaching my fundraising goal quickly turned into an amazing two-weeks that have had an enormous affect on my life. Sometimes I wonder if it really happened, and then I look at the photographs and think about my new friends and smile."*

Bob Rennick, 2010 Climber

## About CARE Canada

CARE is Canada's global force dedicated to defending poverty by empowering the world's most vulnerable and greatest resource for change: women and girls.

## A Powerful Purpose

Since 2005, Kilimanjaro Climbs have raised almost **\$600,000** and increased awareness of CARE's good work.

Each climber is given an ambitious goal which marks the beginning of this journey. It's a big challenge, but not too big for the kind of person who has set their sights on **reaching the roof of Africa!**

Support will be provided every step of the way with a well-rounded professional team to **make your Climb a success.**
